RACECAR EURO SERIES - ROUND 1 – NOGARO RACECAR AS COUPES DE PAQUES' SUPERSTAR !

RACECAR Euro Series' races have probably been the most exciting races of the last Coupes de Pâques. The 27 450hp-powered monsters offered an incredible show with fights for every position. A spectacular door to door battle between Lucas Lasserre and Eric Héлары finally won by the driver from Pau (Lasserre). In the Open Championship, Romain Fournillier and Manu Brigand share the victories.

ELITE Championship: Lasserre Champion !!

The amazing 2010 duel between Lucas Lasserre and Eric Héлары goes on in the beginning of this new season with fantastic fights. The Sprint ELITE, on dry track, is won by Lucas Lasserre who resisted to every Héлары's attack with a final gap of 3/10th of second. Romain Thiévin succeeded in keeping contact with the 2 firsts and reached a great 3rd place for his return to competition after more than 1 year out of racing.

A big storm flooded Nogaro just before the start of the ELITE Main Event and the story was almost exactly the opposite: Héлары reached the first position and led all race long ... till the last lap when Lasserre took finally the lead in an ultimate attack. Started from the middle of the grid, the young Steven Palette raised to the third place and reached the podium just ahead of Romain Thiévin and Ander Vilarino.

Lasserre lead the Championship ahead of Héлары and Thiévin. The 2011 season will be exceptional.

OPEN Championship: Fournillier and Brigand share victories

The young Romain Fournillier didn't let anyone else wins the first 2011 OPEN Sprint. Starting from the pole position, he took the best start and led to the victory ahead of Manu "Warrior" Brigand (2010 Champion). Alain Grand reached the podium after an epic fight with Vincent Gonneau, Fred Lajoux and Gilles Vannelet.

In OPEN Main Event, Brigand revenged by winning ahead a brilliant Tanguy Ide and an experienced Gilles Vannelet.

So Brigand lead the Championship closely followed by Fournillier.
