RACECAR EURO-SERIES 2011 ROUND 2 – SPAIN - MOTORLAND ARAGON – 28/29 MAY V8 FLAMENCO IN ARAGON!

The 2011 RACECAR Euro Series season incredibly started in Nogaro during the last “Coupes de Pâques”. With almost 30 cars on the starting grid, RACECAR Euro Series are today one of the most exciting series in Europe! Its success grows day after day by attracting more and more drivers from all over the world!

This 2nd Round promises to offer a great show on one of the most beautiful European tracks with over-motivated drivers! Will the current Elite championship leader Lucas Lasserre confirm his position with such stimulated competitors?

In Nogaro, such as they did in 2010, Lucas Lasserre and Eric Héлары intensely animated the 2 Elite races, closely followed by the “Fast Club” driver Romain Thievin. But in 2011, the game seems to be open to a lot of players with at least 10 drivers who can apply for victory: Steven Palette, Romain Iannetta or Didier Moureu. But also Ander Vilarino who will play at home this time. And don't forget the Racecar series specialists: Willy Boucenna, Romain Fourniller, Bruno Cosin, Olivier Pernaut or the Pink Panther Carole Perrin. That will be a hot weekend in Aragon!!!

In Open Championship, the 2010 Champion Manu Brigand leads after this first event but Romain Fournillier is narrowly behind!! In this Championship too, they are many to be able to reach the victory with Alain Grand, Vincent Gonneau, Tanguy Ide, Fred Lajoux or the Macanese driver Jo Merszei.

Don't miss the 1st ever Spanish event of the RACECAR Euro Series which promises beautiful races for this event which will stand in only 2 and a half days for the biggest satisfaction of all teams and drivers!
