

RACECAR EURO-SERIES 2011 ROUND 3 – THE NETHERLANDS - ZANDVOORT – 11/13 JUIN SURFIN'ZANDVOORT !!!

What a European launch for the 2011 RACECAR Euro Series season!! Merely 30 monsters roar on each starting grid and offer so spectacular races. On the wonderful track of Motorland Aragon, races were fought and the Lasserre-Helary duet is not so dominating anymore. On the mythic track of Zandvoort, victory will be targeted by a lot. Definitely, day after day, RACECAR Euro Series look more like their American model.

Under the hot Spanish sun, Romain Ianetta and Carole Perrin demonstrated that ogres Lasserre and Helary could be defeated. There, they won't rest and will try to reach victory again on Zandvoort's beaches. They will have to do with the furious pack behind where Thievin, Palette, Vilarino, Pernaut, Moureu and Cosin have already showed their ability to reach victory lane. And this is not to mention Lasserre who still leads the Championship and Helary who will take victory to heart after a difficult Spanish weekend.

In Junior Trophy, Carole « Pink Panther » Perrin leads ahead of the rookie Steven Palette, Romain Fournillier and Willy Boucenna. In Challenger Trophy, Antoine Lioen leads ahead of Vincent Capillaire and Bruno Cosin.

In OPEN Championship, things are moving too. Romain Fournillier overpassed Manu Brigand and Tanguy Ide. All of the three will try to reach victory in The Netherlands but they also will have to take care of the Macanese Jo Merzsei, Eric Dermont, Philippe Marie or Vincent Gonneau, who reached his first pole position ever in Spain.

The Legend Trophy is lead by the 2 Effitic Carre Sport's drivers, Eric Dermont and Andre Alain Corbel ahead of Jack Gaudin. Philippe Marie took the head of the brand new Gentleman Trophy ahead of Pascal Hugot and Joaquin Gabarron.

Let's guess the expected 50,000 spectators will enjoy RACECAR Euro Series races on this feast beach-opening weekend during one of the most prestigious meeting of the Dutch track.
