RACECAR EURO SERIES 2011 ROUND 5 – ENGLAND – BRANDS HATCH – 2/4 SEPT. HELARY, UNTOUCHABLE

All the leaders of the ELITE Championship started from the first places of the grid. Romain Thiévin, who didn't attend the qualifications, started behind the whole pack. Everything was made to have a spectacular race.

Poleman, Eric Héлары has not let any opportunities to his rivals and has led all race long. As soon as the 1st turn, he assumes his 1st position and keeps it till the final victory. Faster than the whole pack behind and with no adversaries ahead, he can rapidly assure the gap and has not to worry anymore.

Behind, Romain Iannetta makes a good start and reaches the 2nd place immediately. Unfortunately for him, he cannot contain the fast Steven Palette who recovers his initial place in the lap after. Then, this is Palette who tries to manage Vilarino but finally let him pass.

Orhes Team completes the top 5 with Frédéric Lajoux, 4th and 1st Challenger, and Olivier Pernaut, 5th. Romain Thiévin makes an amazing race and realizes the best rise by finishing 6th.

Lajoux finds behind him on the Challenger Trophy podium Bruno Cosin and Antoine Lioen when Vincent Gonneau and Stéphane Romecki wins the 2nd and 3rd places of the Junior Trophy behind Palette.

Vilarino sets the fastest time. He is so the poleman of the race of tomorrow. Immediately followed by his rivals for the 2011 RACECAR Euro Series' Champion title and with probable chances of rain, the Endurance race promises once again an exciting race.
